Dispatcher

Despre mine

I am a hard working person, always willing to learn new skills. I am helpful when somebody needs me, and know where to keep my distance when it's required. I am able to work in a busy environment, independently or in a team setting.

My strongest quality is being able to listen effectively and solve problems based on the information I have collected.

Experiența profesională

Safety Manager · US Express Carriers LLC

Ianuarie 2022 - Octombrie 2023 · 1 an 9 luni

As a safety manager, I was responsible for monitoring HOS activities of the drivers, I was editing, assigning their logs in Samsara.

I was assigning their EFS cards as well, monitoring accidents they were involved in. Part of my job was also doing the orientation whenever a new driver was hired. Regarding EFS cards, I was also monitoring fraud activity, and cash advances.

After 1 year in the company, I was promoted to the supervisor position, where I was managing a group of 7-9 people.

Although I already have a good idea of what work as a dispatcher represents, after working closely with the Dispatch Department, I am willing to learn all the new skills I need to embrace this position.
